

MAGNESE Office Peripherals Push-to-Lock with Key

Order Reference: MA-238382

Product Information:

The MAGNESE® Office Peripherals Push-to-Lock is designed to give flexible security to secure peripherals such as printers, monitor displays and projectors with a universal lock slot.

This easy to use lock provides a low cost addition to the range of Magnese® Cable Locks, trapping the cable when put in place. Specifically designed with hard to reach places in mind the push-to-lock feature allows attachment in awkward spaces.
